

SAFETY DRILLS

The School District will conduct ten (10) safety drills each school year. The Superintendent shall be responsible for ensuring that all ten (10) drills have been appropriately conducted at each school site within the school district. It shall be the duty of the site principal, under the direction of the superintendent, to conform to the written plans and procedures adopted by the school district. All students and teachers shall participate in the safety drills. The ten (10) drills shall consist of the following:

1. Lockdown drills. A minimum of two (2) lockdown drills shall be conducted at each site within the school district each school year. No lockdown drill can be conducted at the same time of day as a previous lockdown drill in the same school year, and no more than two drills shall be conducted in the same semester. Lockdown drills shall be conducted for the purpose of securing school buildings to prevent or mitigate injuries or deaths that may result from a threat on or near the school.
2. Fire drills. Each site school shall conduct a minimum of two (2) fire drills per school year. Each fire drill shall be conducted within the first fifteen (15) days of each semester. The fire drills shall include the sounding of a distinctive audible signal designated as the fire alarm signal.
3. Intruder drills. Each school site shall conduct a minimum of two (2) intruder drills per school year. Intruder drills are conducted for the purpose of mitigating injuries or deaths by executing a plan as an alternative to the lockdown method. Each intruder drill shall be conducted within the first fifteen (15) days of each semester.
4. Tornado drills. Each school site shall conduct a minimum of two (2) tornado drills per school year. Tornado drills are required to be conducted in the months of September and March.
5. Safety drills. Each school site shall conduct a minimum of two (2) safety drills per year that can consist of any of the aforementioned drills.

Documentation of completion of the drills shall be maintained . Records for each fire drill shall be preserved in writing for at least three years and made available to the State Fire Marshal or the marshal's agent upon request. The school district shall document all other safety drills in writing and by school site with a copy of the report remaining at the school, a copy filed with the district administrative office, and a copy with the Institute for School Security Resources.
