

**SCHOOL VOLUNTEERS**

The Perry Board of Education recognizes that volunteers can make valuable contributions to students and the district educational program. A volunteer program subject to appropriate rules, safeguards, and regulations is approved by the board.

A parent volunteer list will be maintained in the school office. Upon request, this list will be made available to the faculty and staff, and to the P.P.T. To be included on the list, a volunteer must provide the office with their name and phone number.

The superintendent will establish rules and regulations that support this policy.
