

**CAREER PROGRAMS
(REGULATION)**

The following regulations shall apply to students enrolling in Indian Meridian Area Vocational-Technical School programs:

Enrollment

1. Enrollment will be limited to students in grades 10, 11, and 12.
2. The final acceptance of a student for a specific program will be made by the technology center enrollment counselor.
3. Preliminary scheduling will be handled through the high school counseling office. The final student selection will be made cooperatively by the Perry High School counselor and principal.
4. After the first two weeks of school, students will not be reassigned to a different technology center program nor will any new assignments be made to the technology center.
5. New enrollees in the high school may be assigned to the technology center on a space available basis if they transfer from a comparable program.
6. A student failing a course at the technology center will not be permitted to withdraw from the program until the end of the semester.

Transportation

1. Bus transportation will be provided and all students will ride the bus. Private transportation will not be authorized by the school.
2. If a student misses the bus or is removed from the bus for disciplinary reasons, that student will be detained under in-house suspension until time for his/her next scheduled class.

Attendance

1. The attendance requirements of the high school and technology center will be mutually respected and enforced.
2. Daily absentee reports will be sent from the technology center to the high school.
3. Early dismissal from the technology center will not be allowed except when the parent personally picks up the student.
4. An absence due to attendance at a school-sponsored activity will not be counted against the student as an absence unless such absence prevents the student from fulfilling program requirements at the technology center or public school district.

CAREER PROGRAMS, REGULATION (Cont.)

Discipline

1. The Indian Meridian Area Career Technology Center is an extension of Perry High School. Therefore, suspension from one school is suspension from the other. A student suspended from classes at Perry High School may not attend classes at the technology center.
2. The technology center will handle all discipline resulting from actions on the bus or at the technology center.
3. A morning and afternoon detention hall will be held at Perry High School and technology center students will attend whichever one fits their schedule.
