

SCHOOL ASSEMBLIES

The Perry Board of Education believes that a student's education will be enriched through the occasional assembling of the student body to observe science demonstrations, listen to lectures, participate in class plays, and other similar activities.

Unless otherwise announced, students will report to regularly scheduled classes before being excused to attend an assembly. After allowing adequate time for roll call and making necessary announcements, students will be dismissed for the assembly by intercom. Students will attend assemblies when dismissed from class.

Teachers will attend the assemblies and supervise their assigned area.
