

**BICYCLES**

Students may ride bicycles to school. For the student's safety, pre-kindergarten, kindergarten, and first grade students are not allowed to ride bicycles to school. Any student who rides a bicycle to school must obey all traffic regulations required of a motorist. Bicycles may not be ridden on the school grounds during school hours. Students must walk the bicycle off of the grounds before riding it. Repeated safety violations will cause students to lose this privilege. No students are to ride a bicycle on 12<sup>th</sup> Street or 13<sup>th</sup> Street before or after school.
