

ORGANIZATION SPONSORS

The Perry Board of Education believes that certain extracurricular and social activities can enhance the learning environment of our schools. The board requires that all activities be sponsored and expects the sponsors to exercise complete control of such activities, including the responsibility for insuring that sufficient revenue exists in the appropriate activity account. All organizational activities shall be scheduled through the building principal's office.

Sponsors of each organization are responsible for seeing that the organization's rules and regulations are strictly followed. This includes all requirements for officers and membership. Sponsors are responsible for the behavior of members during meetings and activities of the organization. Students and parents must sign the required permission slip which will be placed in the sponsor's file. All monies collected and spent must be properly accounted for through the finance secretary's office. Books may be obtained to record transactions throughout the school year. All books must be balanced and returned to the financial secretary's office at the end of each year. All school rules must be observed during school activities on school grounds and off school grounds. Violations of school rules during school activities that may constitute a suspension from school shall be reported to the school administration as soon as possible, the day of the violation or the next school day at the latest.
