Superintendent and staff and custodians to the Superintendent's workroom.

Stadium will report to old rock dressing room.

Mid-High students go to the Mid-High gym.

Teachers are to take grade book or attendance sheet with them and close the classroom doors behind you to help contain flying glass and debris. You may be asked by emergency workers to account for the number and names of students assigned to you.

Once in assigned areas, close all doors around you to reduce the amount of flying glass and debris.

The entire building will be in lockdown until a staff member or emergency official has cleared you to leave the assigned area. Do not allow students to leave until the all clear sign has been given.
