

PERRY JUNIOR HIGH
Evacuation Procedures
****Revised 1/11/17****
Fire Drill and Evacuation Plan:

The bell/buzzer for a fire or fire drill will be a constant, short blast of a bell or siren. Students should exit in a calm and courteous manner, in a single file line. The teacher will be the last person leaving the room after closing all windows and the door.

ROOMS 101, 103, and the OFFICE: Proceed down the main stairs to the east and exit through the left side double doors. Then proceed east to crosswalk and go south into band practice field (open lot).

ROOMS 105, 107, 109, 111, 114, and 116: Exit west out of the classrooms to the south door. Proceed down sidewalk west to Ag building parking area.

ROOM 106: Exit through the west classroom door and proceed up the sidewalk to the alley between the gyms. Travel west to sidewalk west of junior high gym. Then go south to the Ag building parking area.

ROOMS 207, 208, 209, and 210: Exit to the west, and proceed down the stairs. Exit out the south doors, and walk on sidewalk west to the Ag building parking area.

ROOMS 205 (Library) and 206: Exit down the center staircase and proceed east to the main exit doors, exiting out the right hand doors. Then proceed east to crosswalk and go south into band practice field (open lot).

ROOMS 201, 202, 203, and 204: Exit east from the classrooms, down the main staircase to the main lobby area. Proceed out the left hand front doors. Then proceed east to crosswalk and go south into band practice field (open lot).

Junior High Gym and John Divine Hall: Exit out the west doors, and proceed to the Ag building parking area.
