

SUSPENSION AND DEBARMENT COMPLIANCE

All vendors with contracts or purchase orders to be paid from federal funds will be checked against the current federal “List of Parties Excluded from Federal Procurement or Nonprocurement Programs” as published by the U.S. General Services Administration Office of Acquisition Policy.

Documentation will be maintained semi-annually of this search result for each applicable vendor. No contract or purchase order to be paid from federal funds shall be executed with any vendor currently listed as suspended or debarred.

The following notification shall be attached to each purchase order utilizing federal funds making each vendor aware of its compliance responsibilities:

Certification Regarding Debarment, Suspension and Ineligibility

To the best of its knowledge and belief, the contractor or any of its principals are not presently debarred, suspended, proposed for debarment or otherwise declared ineligible for the award of contracts by any Federal agency by the inclusion of the contractor or its principals in the current “LIST OF PARTIES EXCLUDED FROM FEDERAL PROCUREMENT OR NONPROCUREMENT PROGRAMS” published by the U.S. General Services Administration Office of Acquisition Policy.

The prospective lower tier participant shall provide immediate written notice to the district if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Should the prospective lower tier participant enter into a covered transaction with another person at the next lower tier, the prospective lower tier participant agrees by accepting this agreement that it will verify that the person with whom it intends to do business is not excluded or disqualified.
