

DRUG-FREE SCHOOLS

Perry Public Schools is committed to cooperating with parents/guardians in an effort to help students avoid illegal and performance-enhancing drug use. The Perry Public School District believes accountability is a powerful tool to help some students avoid using drugs and that early detection and intervention can save lives. The district has implemented a developmentally-based drug and alcohol education and prevention program.

Information about drug and alcohol counseling and rehabilitation and re-entry programs is made available through the school counselors.
